This convenient desk planner helps you stay organized and keep track of birthdays, anniversaries, doctor appointments, and every important event. Plenty of space for notes, important dates, contacts, and other events.

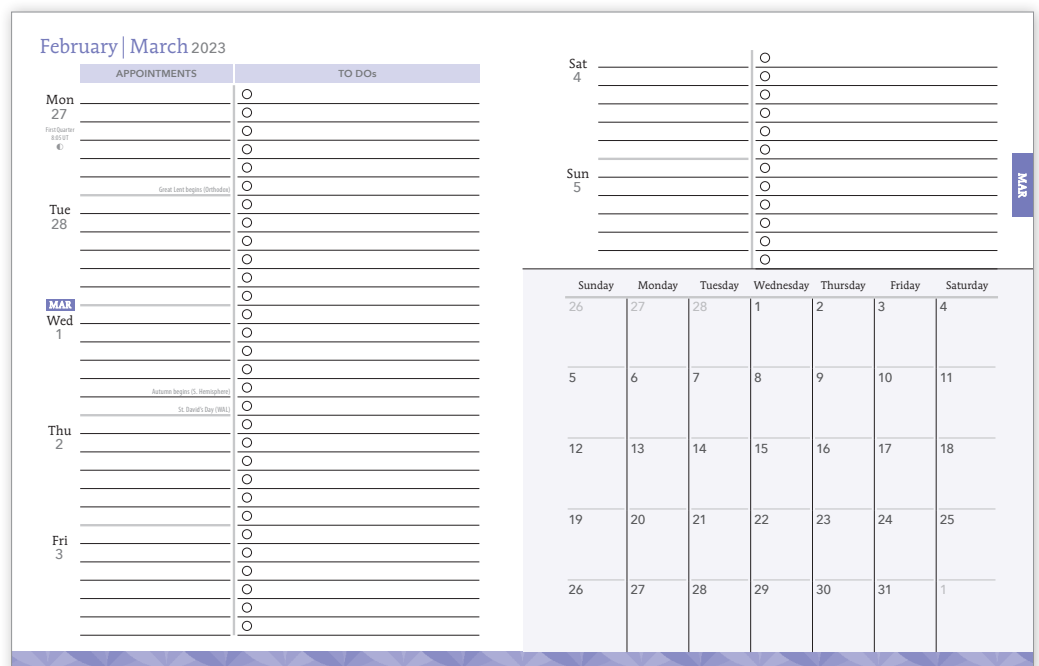

Full 18 months format (July 2023 - December 2024) for even longer time tracking.

- Each day includes plenty of space to accommodate multiple entries for planning, notes, and appointments
- A protective plastic cover and thick, high-quality pages help to prevent wear-and-tear throughout the year
- Opens and lays flat for ease of writing and reading
