## **BROWNTROUT PUBLISHERS'** **2026** CALENDAR COLLECTION

In an era dominated by digital overwhelm, millennials, and those inclined toward organizational prowess, have rediscovered the charm of traditional paper calendars, planners, and journals. The world is recognizing that paper-based products offer a compelling and even creative approach to planning life, scheduling events, managing appointments, outlining details, creating lists, and capturing thoughts and ideas.

Once more, BrownTrout Canada, our Publishing Partners and Wyman Publishing proudly present an expansive assortment of wall calendars, mini wall calendars, pocket planners, and other formats within our 2026 Calendar Collection. Painstakingly curated from a vast pool of photographers and fine art sources, our collection boasts an unparalleled variety of themes and subjects to cater to every taste.

Our Wyman Publishing Canadian-themed and French language calendars, including the collaborative efforts with The Royal Canadian Geographical Society for our Canadian Geographic calendars, serve as a captivating photographic journey across Canada—from Nunavut to Point Pelee, St. John's to Vancouver Island. Encompassing both serious subjects such as the Northern Lights and Wicked Weather, to the lighthearted humor of Cows, the pages of our Canadian Calendar Collection promise to delight and inspire you and your retailers throughout the entire year.

In line with our commitment to sustainability, BrownTrout has taken on the challenge of making our products more environmentally friendly, striving for minimal negative impact on the planet. We persistently source the most environmentally sustainable FSC paper, employ soy-based inks, and utilize other recycled and/or recyclable materials.

From the modest beginnings of Wyman and BrownTrout Canada in 1976 and 1999, respectively—where we introduced the market's first regional calendars and brought forth nearly every dog breed calendar—we have consistently held the mantle as Canada's leader in dated and organizational products. Our decades of experience and unwavering commitment to delivering the best continue to drive us as leaders in our industry, connecting people to their passions.

# BROWNTROUT & WYMAN

At some point years ago our goal was to make a calendar on every noun a grand project! Making calendars is our way of celebrating the world. We see beauty in scenic landscapes not only Canadian Parks but also country roads and lighthouses. We see beauty in wild animals and domestic pets, in powerful cars and soaring airplanes, in world capitals and foreign lands. Our mission is to represent and inspire through our calendars by 'Connecting People to Their Passions.' Mindful Living and Mindful Eating, Outhouses and Jackasses, Yoga, Cats and Space. Wherever you find your inspiration, BrownTrout and Wyman and our Partners try to express that inspiration through a calendar.

*Our mission is to represent and inspire through our calendars.*

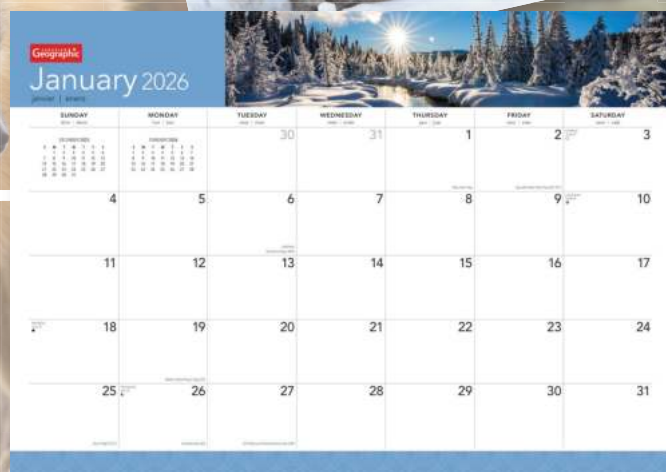

# CANADIAN Geographic CALENDARS

Through its *Canadian Geographic* magazine, the Society highlights the beauty, environment, and culture of Canada, engaging readers with inspiring stories and captivating visuals.

In partnership with *Canadian Geographic*, we have created a variety of calendars celebrating Canada.
